## ISLAS

<b>TYPE</b>	Glazed Porcelain
<b>APPLICATION</b>	Indoors/Outdoors    Wall/Floor
<b>DESCRIPTION</b>	This collection has a strong Mediterranean flavor. Thanks to the white, blue and navy colors of its geometrical pattern, it evokes the charm of traditional hand painted tiles.
<b>PRODUCT INSTALLATION</b>	It is recommended for the product to be installed by a qualified professional. We do not recommend the use of adhesives based on epoxy resin. Read carefully instructions set by the manufacturer of the adhesive used.
<b>PRODUCT CARE</b>	For initial and daily cleaning the use of a damp cloth and mild soap is recommended. Avoid using abrasive and acidic cleaning products.
<b>* NOTE</b>	To achieve the visual aspect of the product and given the artisanal procedure for production and raw materials used, pieces can represent variation in size, texture, design and shade. This is done deliberately to give the product a unique personality and unrepeatable characteristics.
